

Many of these terms come from R. B. Thieme, Jr.. Some are common (and sometimes uncommon) theological definitions. Some of the words and concepts are original. I initially expected to have 3–5 pages of terms. At this point, however, there are 22 pages. This is, in itself, a theological education. If you know and understand these terms, it is likely that you are a growing believer or you have a high level of spiritual maturity. If you have been a Christian longer than 5 years, then you ought to know nearly all of these terms (or at least their concepts).

Definition of Terms	
1st Advent	The time period when Jesus was born and had His earthly ministry.
1st and 2nd Advents of Jesus	When Jesus first came to walk on this earth, that was the 1 st Advent. When He returns to destroy the nations who are about to invade Israel, that will be the 2 nd Advent.
4th Stage of Discipline	This is when a foreign nation comes in and rule over the country which is under discipline. These stages of discipline were devised primarily for nation Israel, but there is some application to us today.
5th Stage of National Discipline	This is the stage of discipline God brings upon Israel when the people are removed from the land and taken into slavery by some foreign power.
Abrahamic Covenant	A contract made between God and Abram.
Age of Israel	This is the period of time in history where God works through believers in nation Israel. God also worked through the Abraham and those descended from him until nation Israel was established.
Age of the Hypostatic Union	The time period during which Jesus Christ walked upon this earth. This dispensation acted as a hinge between the Church Age and the Age of Israel.
Ancient world adoption	This is when a man of wealth selects someone outside of his own family to take control of the family fortune. In such a case, the man of wealth either lacks natural heirs or his natural heirs are a bunch of layabouts and degenerates.
Angelic Conflict	Before man was created, God had created angels, and some of these angels sinned against God. This conflict, which we cannot see, is a conflict that we are a part of, and our spiritual lives in particular are directly to the Angelic Conflict. See the Doctrine of the Angelic Conflict .
Angelic Conflict	During human history, there is another conflict being played out and tied to human history, which is call the <i>Angelic Conflict</i> . This began with the fall of Satan and has flowed into our own lives since Satan tempted the first woman to sin against God. The two primary objectives of Satan with respect to man are (1) to keep people from believing in Jesus Christ and (2) to keep believers from growing spiritually and participating in the production of divine good.
Angelic Conflict	Before man was created, God created billions of angels. Satan sinned against God and a third of the angels went with Satan (these are known as the fallen angels). Satan has been sentenced to eternity in the Lake of Fire, but this sentence has not been carried out yet, presumably because Satan has lodged many objections. Man was created in order to resolve the Angelic Conflict.

Definition of Terms	
Angelic Conflict	The angelic conflict is the result of prehistoric creatures being in opposition to God. It began with the independence and rebellion of the one who was the Messiah's angel, Satan, and it continues throughout human history until the end of the Millennium. The angelic conflict answers many basic questions about life, such as - "Why was man created? Why sin? Why is there chaos on earth? Why is there so much suffering? Why did our Lord Jesus Christ have to go to the cross?" ¹
Angelic Conflict	The Angelic Conflict is an invisible war which is taking place which involves God, the elect angels and the fallen angels. Man was created to resolve the Angelic Conflict.
Angelic Conflict	There is a great unseen war which is going on between fallen and elect angels. This has been going on since the fall of Satan known as the Angelic Conflict. We, as having volition, will resolve the Angelic Conflict.
Angelic Conflict	Before man was created, God had created angels, and some of these angels sinned against God. This conflict, which we cannot see, is a conflict that we are a part of, and our spiritual lives in particular are directly to the Angelic Conflict.
Angelic Conflict	The angelic conflict is an intense war on the part of the fallen angels to further their cause by producing a creature incapable of being saved-part angel and part man, killing the humanity of Christ, inducing Christ to sin, somehow keeping man from accepting Christ as Savior, and causing sweeping Christian apostasy.
Angelic Conflict	Prior to the creation of man, there were billions of beings created called angels. A third of these angels fell by sinning against God and were sentenced to death. Satan appealed this sentence and we are now in the appeals phase of this conflict.
Anthropomorphism	An anthropomorphism simply assigns human actions characteristics to non-human things and events (in this case, God) in order to better explain something (in Psalm 20:2, this better explains God's sustenance and faithfulness).
Anthropopathism	An anthropopathism is taking an easily understood emotion or action that man has or does and attributing that emotion or action to God, to explain God's thinking and action in language of accommodation. One might view this is somewhat of a shortcut when speaking about God.
Anthropopathism	This is the assignment of human feelings, passions or characteristics to God, attributing to Him feelings or characteristics which He does not possess. This often helps to explain God's actions in human terms.
Anti-societal arrogance	This is where a person rebels against societal norms and standards, to the point where, if society classifies some as right, he questions it; if society classifies something as wrong, he does it. He looks at other people who adhere to these rules with disdain and sees them as inferiors. A great many filmmakers suffer from this sort of arrogance. They attempt, in their films, to continually push the envelope when it comes to societal mores. Because they question society's conventions, they see themselves as superior and insightful to those who abide by them. However, from time to time, they we latch on to an axiom of counter-culture morality and display it with great self-righteousness (such as, <i>tolerance</i>).

Definition of Terms	
Antitype	A type is a person, thing or circumstance which looks forward into the future and finds its fulfillment in an antitype, which may be a person, thing or circumstance. Example: Moses striking the rock and from it flows waters of life is a type; Christ being judged on the cross for our sins and from Him flows living waters is the antitype.
Apologetics	This is the science which shows Christianity and the Bible to be logical and reasonable.
The Arrogance Complex	See interlocking systems of arrogance below.
Arrogance Complex (Also known as the interlocking systems of arrogance)	The interlocking systems of arrogance refers to many clusters of sins which have a tendency to interlock with one another. That is, a believer who goes into interlocking systems of arrogance through one gate (or entrance), is likely to interlock with another cluster of sins if he remains out of fellowship. We have simple examples of this in life. A person might begin to smoke marijuana, which is illegal. Some time later, he may become involved in anti-authority actions, extreme liberal philosophy and politics, and break more and greater laws. He may involve himself with a woman with the same weaknesses, and they become involved in sexual arrogance together (his norms and standards being wiped out by his changing mores). He enters in the gate of smoking marijuana which makes him vulnerable to a number of other clusters of sins.
Atonement	The idea of atonement is not full and complete forgiveness, but a covering over of the sins committed. Psalm 65:3: <i>When iniquities prevail against me, You [God] atone for [or, cover over] our transgressions.</i> Atonement is a temporary measure. Sins are temporarily covered over.
Authority Arrogance	In authority arrogance, the individual fails to make the most difficult transition of temporal life, which is going from the authority in the home to freedom in life. The home is organized humility. The parents' authority is enforced humility, and the child's response to enforced humility produces genuine humility. Rejection of overt authority in life results in rejection of inward authority of the soul, and that destroys your own self-discipline.
Biblical inspiration	Biblical inspiration may be defined as <i>human authors wrote as moved by the Holy Spirit, so that, without waving their human intelligence, their vocabulary, their personal feelings, their literary style, their personality, their environmental influences or their individuality, they recorded God's complete and connected message to man with perfect accuracy in the original languages of Scripture, the very words bearing the authority of divine authorship.</i> ² The is known as the verbal, plenary view of inspiration.
Blessing by Association	Friends and relatives and associates of a spiritually mature believer receive some overflow of blessing from that believer.
Carnality	Carnality is the opposite of spiritually. A person who is carnal has sinned, and is therefore out of fellowship with God. When such a one names his sin or sins to God, he is restored to fellowship and he is spiritual once again.
Chiasmus	This is a format where the first passage can be matched to the final passage; the second passage can be matched to the second-to-the-last passage, etc. It is called a <i>chiasmus</i> (or, <i>chiasmus</i>) based upon the letter chi (X). Many times, this structure can be used to find the key element of the psalm or to rearrange the psalm.

² Quoted and paraphrased from R. B. Thieme, Jr., *Canonicity*; ©1973 by R. B. Thieme, Jr.; p. 5, who in turn took this from Lewis Sperry Chafer, *Systematic Theology*; Abridged Edition; Victor Books, ©1984, Vol. Two, p. 71.

Definition of Terms	
Chiasmus	A chiasmus (also spelled chiasmus) is the way that some portions of the Bible are organized. It takes its name from the Greek letter chi (χ). The first section matches with the last, the second with the second-to-the-last, etc. It is called a chiasmus, because the inverted parallelism looks like a chi (actually, half a chi) when one sees it from its organizational standpoint.
Chiasmus	A chiasmus organizes a passage, so that there is a parallel with the beginning of the chiasmus with the end of it; the second portion of the passage finds its match in the second to the last portion of the passage; etc.
Chiasmus	This is a psalm where the first passage can be matched to the final passage; the second passage can be matched to the second-to-the-last passage, etc. It is called a <i>chiasmus</i> (or, <i>chiasmus</i>) based upon the letter chi (X). Many times, this structure can be used to find the key element of the psalm or to rearrange the psalm.
Christophany	A Christophany is an appearance by Jesus after the resurrection
Church Age	The period of time in history where God works through the body of believers, also known as the church.
Clandestine warfare	An operation sponsored or conducted by governmental departments or agencies in such a way as to assure secrecy or concealment. A clandestine operation differs from a covert operation in that emphasis is placed on concealment of the operation rather than on concealment of the identity of the sponsor. In special operations, an activity may be both covert and clandestine and may focus equally on operational considerations and intelligence-related activities. ³
Client Nation	Client-Nation, is a national entity in which a certain number of spiritually mature Christians (the salt of the earth) have formed a pivot sufficient to sustain the nation and through which God specifically protects this nation so that believers can fulfill the divine mandates of evangelism, communication and custodianship of Bible doctrine, providing a haven for Jews, and sending missionaries abroad. The United States is a client-nation to God. A client nation must have freedom: Freedom to seek God, freedom to use one's own volition and self-determination to succeed or fail, freedom from anarchy and tyranny, freedom for evangelism, freedom for believers to hear Bible teaching without government interference and, therefore, to grow spiritually, and freedom to send missionaries to other nations.
Cluster Genealogy	A genealogy where the patriarch is named along with several of his sons and several of their sons. Generally, this is only for 3 or 4 generations.
Compartmentalization arrogance	<i>To compartmentalize means to put or divide into (compartments, categories, etc.), especially to an excessive degree.</i> Compartmentalization arrogance takes this concept to the n th degree.
Conspiracy arrogance	Conspiracy arrogance results in a conspiracy to overthrow the purpose, policy, or authority of an organization.
Cosmic System	The term "cosmic system" refers to Satan's plan and process for controlling the world, and his attempt, using his organization of fallen angels, to counteract the plan of God in all respects.

³ From <http://www.thefreedictionary.com/clandestine+operation> accessed April 15, 2013.

Definition of Terms	
Cosmic system thinking	A person's viewpoint is confused with the thinking of Satan, who thinks in terms of human viewpoint, lies, and legalism. This is exactly the opposite thinking of the gospel, Bible doctrine, and the laws of divine establishment.
Cosmic Thinking	Cosmic thinking is the way that Satan thinks; it is the opposite of thinking like God thinks.
Counterinsur-gency	Those military, paramilitary, political, economic, psychological, and civic actions taken by a government to counter the activities of rebels, guerrillas, etc.
Covenant Theology	One of the most prevalent theories in Christianity; that God has replaced Israel with the church and that the promises made to Israel have been spiritualized and made to the church instead. This is a false theory.
Covenant Theology	The general idea is that man has a relationship to God based upon covenants, or contracts, which is not disputed by theologians. Covenant theology takes this one step further and says that the entirety of the Bible can be interpreted within the framework of covenants, which position is disputed.
Covenant Theology	This is the incorrect interpretation of Scripture that Israel failed so many times before God that God finally just gave up on them and transferred all of His promises over to the church. Many churches and denominations hold to this theology. The over-arching view opposed to this is dispensationalism .
Criminal arrogance	Criminal arrogance seeks to solve problems by violence and/or by criminal actions. The modus operandi of a person in criminal arrogance is criminal behavior. Believers are susceptible to this kind of arrogance just as unbelievers are.
Crusader arrogance	Crusader arrogance is the self-righteousness arrogance that tries to straighten the world from its error and mistakes. A person places his personal standards above the law or any form of establishment or authority. When criminal arrogance interlocks with crusader arrogance, there is terrorism or revolution.
Cycles of Discipline (Stage of National Discipline)	A national entity which is a client nation to God is under both God's protection and His discipline (much like the individual believer). As a nation moves further and further from God, God may impose disciplinary measures on that nation, which include economic disaster, illness, civil unrest, military defeat, and even invasion which may include a slavery or dispersion of the people. These cycles are found in Lev. 26. Although these warnings are designed for Israel, all client nations to God may face similar downward historical trends.
Davidic Covenant	A covenant (contract, agreement) which God makes with David which include the promise that David would have a Son Who would rule over Israel forever and that Israel would occupy a huge chunk of land (today, the equivalent of Israel, Jordan, Syria and Iraq, as well as portions of the Sinai Peninsula and Saudi Arabia). This covenant is eternal and unconditional. ⁴
Degeneracy	Being involved in a set of sins which are both addictive and can become very time consuming. In many cases, such sins can take over a person's life.

⁴ This covenant is unconditional with respect to its fulfillment in Jesus Christ. No matter what any of David's sons do, this covenant will be ultimately fulfilled in the Person of Jesus Christ. However, there will be conditions placed on David's sons and their behavior.

Definition of Terms	
Degeneracy Agenda	Spending a significant portion of your life pursuing this or that degeneracy sin—whether it is the use of drugs, alcohol, chasing women, and/or having sex (with either gender). All of this takes time and planning out of your life, which takes valuable time from your place in God’s plan. This can be applied to any addictive sin (e.g., gambling).
Disaster testing	We all face personal disasters (disease, loss of loved ones) and many of us face natural (hurricanes, floods, tornadoes) and national disasters (violence, terrorism, war). When we apply Bible doctrine from our souls to such a crisis, our spiritual growth is accelerated.
Dispensational Theology	An over-arching view of God’s relationship to man; that God has, at different times in history, used different entities (Israel, the church) to move His plan forward. Sometimes an era is defined by God’s use of these different entities.
Dispensationalism	The over-arching theological view that God has slightly different programs from one era to the next. All of His promises to Abraham and to Israel will be fulfilled, even though God has temporarily set the Jewish race aside as His representatives here on earth.
Dispensation	A period of time wherein God’s plan for that period of time is very specific and different from other periods of time. That is, the rules for the Church Age are different than rules for the Age of Israel .
Dispensations	A dispensation is a period of time in which God has a specific plan for spirituality, evangelization, judgment, and the writing, preservation and dissemination of His Word. The Greek noun which is occasionally translated <i>dispensation</i> does not mean this exactly; although it has come to mean a <i>specific period of time as defined by God</i> . The Greek noun is <i>oikonomia</i> (οἰκονομία) [pronounced <i>oy-koh-nohm-EE-uh</i>]; which specifically means <i>the administration or management of a household</i> . The idea is, those administering God’s household here on earth change from time to time. Strong’s #3622.
Dispensations	A reference to the different game plans which God has for various periods of time in history.
Dispensations	A Dispensation is a period of human history expressed from Divine viewpoint (God’s point of view). Dispensations give us the Divine outline of human history.
Dispensations	A dispensation is a period of human history expressed in terms of divine revelation. God programmed human history as a series of five unique dispensations or ages: The Age of the Gentiles (from the creation of Adam to the Exodus of Israel from Egypt), the Age of Israel (from the Exodus to the First Advent of Christ plus the seven years of the Tribulation), the Age of the Hypostatic Union (Christ’s life on earth, from His birth to His ascension), the Church Age (our present age which will end at the Rapture—also known as the Exit Resurrection), and the Millennium (the one thousand year reign of Christ). Consecutive dispensations reflect the unfolding of God’s plan for mankind and constitute the divine viewpoint and theological interpretation of history.
The Dispensation of Israel	Also known as the Age of Israel, the Jewish Dispensation, the Age of the Jews, etc. This was the time period between Abraham and Christ. During this time, nearly all of the Old Testament was composed (Job and the first dozen or so chapters of Genesis may have been written prior to the Age of Israel). God worked through individual Jews and corporately through the nation Israel.

Definition of Terms	
The Dispensation of the Hypostatic Union	This was a very short dispensation when the God-man, Jesus Christ, was on this earth. There were aspects of the Jewish Age and the Church Age which were true at this time. Jesus Christ test drove the spiritual life for us in the Church Age; His power was based upon the power of the Holy Spirit, just as ours is. Even though many of the animal sacrifices of the Old Testament were still occurring, they were in the background. What Jesus said and did took precedence over all Old Testament ritual.
Dispensation of the Hypostatic Union	The time that Jesus was in bodily form on this earth. This formed somewhat of a hinge between the Age of Israel and the Church Age.
Distich	A <i>distich</i> [pronounced <i>DIHS-tihk</i>] is a <i>couplet or pair of verses or lines, usually read as a unit., which fit well together into a psalm.</i> The book of Proverbs is chapter after chapter of distichs.
Divine Decree	<p>The Divine Decree of God refers to his eternal, holy, wise and sovereign purpose. God simultaneously comprehended all things that ever were or ever would be. He comprehended every event that would ever take place, along with its causes and interaction with other events, and he knew in eternity past every decision mankind would ever make.</p> <p>The Decree of God is His eternal and immutable will with regard to all future events, and the precise manner and order of their occurrence (Eph. 1:11: Also we have obtained an inheritance, having been predestined according to His purpose Who works all things after the counsel of His will). The word 'Decree' refers to the eternal plan by which God has rendered all of the events of the universe as certain. This includes past, present and future angelic and human history. The Decree of God is the chosen and adopted plan of God for all of His works. It is His eternal purpose according to the counsels of His own will whereby, for His own glory, He has foreordained all that will ever come to pass.</p>
Divine Establishment viewpoint	This is thinking the way that God thinks about things, generally in relationship to man's relationship to other men.
Divine Good	This is good which is completely in accordance with the plan of God. In order for a person to do acts of divine good, they must be in fellowship and be thinking Bible doctrine. As a result, that which they do is divine good and moves the plan of God forward.
Divine Good	That which the believer produces while filled with the Holy Spirit. A mature believer will produce more divine good and more efficiently than an immature believer.
Divine institutions	A <i>divine institution</i> speaks of the absolute social structures that have been instituted by God for the entire human race—for believers and unbelievers alike. The term <i>divine</i> emphasizes the fact that they have their origin in God. These are social structures that have been built into creation and into the nature of man by God. These divine institutions provide protection, perpetuation, orderly function, survival and blessing of the human race, and allow for the teaching of the gospel of Jesus Christ. ⁵

Definition of Terms	
Divine Operating Assets	These are the things which God gives to the believer in the Church Age at the point of salvation. We have the ability to comprehend with all saints the nature of the plan of God and our place in it. We have the power of God the Holy Spirit (think of this as having power tools as opposed to having regular tools and no strength). We have the ability to grow spiritually and to make a difference in this world with the assets that God has given us.
Divine Viewpoint	God's thinking.
Doctrinal rationale	A doctrinal rationale is when you take doctrine that is in your soul and you come to a conclusion concerning the circumstances in your life, so that you are able to depend upon God's promised provisions instead of spending time in worry or fear.
Doctrinal Rationale	The believer, in his mind, puts together some doctrinal principles and/or verses which deal with his current problem, and he depends upon these principles.
Doctrinal Rationales	This is taking information from the Word of God and developing a logical rationale as to how God will deal with you in certain circumstances. For instance, we know that God must provide for our needs while we are here on this earth, so that we do not need to worry about what we should eat or what we should wear. God knows about these things and made provision for them in eternity past.
Doctrinal rationales	You understand, from Bible doctrine, the thinking, character and actions of God, and are able to apply God's essence and function to your day to day life.
Documentary Hypothesis (also known as JEPD Theory)	Documentary Hypothesis simply asserts that the Pentateuch was not authored by Moses but written 1000 years after Moses by several authors who wrote portions here and there and then other men have performed extensive revisions and editing after them.
Dual Authorship of the Word of God	This is the concept that the Scriptures were written by men concerning actual historical events; and by God the Holy Spirit, Who, at times, has a purpose in recording that particular event, often using it as a prophecy or as a type to be fulfilled by our Lord. Therefore, there is a literal understanding of Psalm 41:9 (Even this man I believed to be looking out for my welfare and prosperity—a man whom I trusted; a man who took meals with me—his heel has been lifted up against me.), as well as an application of this verse by Jesus to His betrayal by Judas.
Edification Complex	Individually edification refers to the spiritual growth of the positive believer, and/or momentum in the Christian way of life. Hence, the individual connotation <i>edification complex</i> refers to the execution of the protocol plan of God and the subsequent manufacture of the "invisible hero," resulting in the glorification of God.
Edification complex	The Edification Complex of the Soul is an illustration developed and named by R. B. Thieme, Jr. It is a "building" which is constructed within the soul to illustrate spiritual growth and what sorts of things have been attained by a person who is spiritually mature.
Edification Complex	"Edification" in the Greek is <i>oikodomê</i> (οἰκοδομη), which means a building or structure. The edification of the soul is accomplished by a building, or Edification Complex, that is constructed in the soul of the believer through the metabolization of Bible Doctrine.

Definition of Terms	
Edification complex of the Soul	We build within our own souls a structure based upon doctrine from the Word of God. This structure gives us the very framework from which our lives are defined, guided and made content. More info is found here (there is a second part to this lesson as well): http://www.gracedoctrine.org/word/Doctrines/Edification%20Complex%20of%20the%20Soul,%20Part%201.htm
Edification complex	This is an illustration of building a structure in the soul; this structure indicates spiritual maturity.
Ellipsis	An ellipsis means that there is an intention gap left in the writing (or speaking), and the reader fills in this gap himself. <i>This omission arises not from any want of thought, or lack of care, or from accident, but from design, in order that we may not stop to think or, or lay stress on, the word or thought omitted, but may dwell on the other words which are thus emphasized by the omission.</i> ⁶
Emotional Arrogance	Emotional arrogance is where you allow your emotions to dominate your life, and you will set aside truth (in any of the 3 categories) in order to satiate your own emotions.
Emotional Revolt	The emotional revolt of the soul is the condition of the soul when the soul's self-consciousness makes decisions because it has yielded itself to a strong emotional state.
Enforced Humility	Enforced humility emphasizes the function of the particular authority within the societal organization. This one causes people some problems because here is where the teeth of authority begin to be felt. Because mankind is inherently sinful, when God delegated responsibility and authority in the realm of Divine Establishment, he also had to include the means to compel obedience.
Enforced and genuine humility	Enforced humility is when you are forced to obey the proper authorities. Whether it is a parent standing over you with a switch ⁷ or the police car behind you, you bend your behavior to what is expected, even though your volition desires to do just the opposite. Genuine humility is, you choose to do those things required by authority.
Epistemological Rehabilitation	Epistemological rehabilitation is the perception, metabolization and application of Bible doctrine to your own experience (2Cor. 6:11-12). The end result is the renovation of one's thinking (Rom. 12:1-2).
Escrow Blessings	God places certain blessings into escrow for us, so that, when we perform certain actions, these blessings are released to us. The parallel is to the of the purchase of a house where everything is placed in escrow until the buyer and seller have performed certain functions, which then transfers the house from the ownership of the seller to the ownership of the buyer.
Eternity Past	<i>Time</i> is an invention of God, and we find ourselves within the concept of time. However, prior to God inventing time, there is, what we call, eternity past, a <i>time and place</i> , if you will, before <i>time and place</i> existed. It is here when God made the Divine Decree (above).
Evil	Evil is the thinking, strategy and plan of Satan. Evil may include sin and human good.

⁷ Oh, dear, if you are under 30, do you know what a *switch* is?

Definition of Terms	
Evil	<i>The word “Evil” has a distinct technical and categorical meaning in the Word of God. It is not simply a generic word referring to anything that is bad or sinful. The word “Evil” refers specifically to the policy of Satan as the ruler of this world. Evil is the modus operandi of Satan from the time of his fall throughout the angelic revolution and down to the point when he became the ruler of the world.⁸ This definition is probably right out of R. B. Thieme, Jr.’s notes.</i>
Faith-rest	Faith-Rest is taking the promises from the Bible and mixing them with faith. This approach to life is characterized by a moment-by-moment tranquillity, happiness, and stability, even when you are in the midst of pressure, adversity, and disaster.
Faith-rest	Faith-rest is placing your trust in God, in His Word, in His promises or in Bible doctrine, and you step back and allow God to keep His Word, or fulfill His promises, or vindicate the doctrine which is in your soul.
4th and 5th stages of national discipline	The 4 th stage of national discipline is when a foreign country comes in and both taxes and rules over the priest nation to God. The 5 th stage of national discipline involves complete loss of personal and national sovereignty, the destruction of the family and the nation. Offerings to God are unacceptable. Nations which have undergone this destruction have experienced slavery, cannibalism, and the assimilation of its surviving citizens into other cultures.
Fifth Cycle of Discipline	The fifth cycle of discipline involves complete loss of personal and national sovereignty, the destruction of the family and the nation. Offerings to God are unacceptable. Nations which have undergone this destruction have experienced slavery, cannibalism, and the assimilation of its surviving citizens into other cultures.
Flying column	A flying column is a force of troops equipped and organized to move swiftly and independently of a principal unit to which it is attached. It is also a very mobile military organization which engages in guerilla tactics.
GAP	GAP is an acronym for grace apparatus for perception. The idea is, God has made it possible for all believers, no matter what their IQ, to take in doctrine and to understand doctrine. Any believer, no matter what his or her IQ, can grow spiritually; and their spiritual growth is never hampered by their IQ (although, some high IQ types may try to over think a doctrine or find some clever way to justify some personal sin or failing, and fail to grow in that area).
Gen X	This is a short and clever reference to the generation of the Exodus. I was going to try to represent this as Gen Ex, but that looked too much like I was just naming the first two books of the Bible. At least with Gen X, most understand that we are speaking of a specific generation. Gen X stands for generation exodus; the generation of adults who left Egypt. Their children with them and the children born in the wilderness will be called the generation of promise.
Generation of Promise	These are the Israelites who will actually go into the Land of Promise and take it (which process is described in the first half of the book of Joshua). They were under the age of 20 at leaving Egypt in the exodus and some of them were born in the desert-wilderness, either as sons of Gen X-ers or as sons of the generation of promise.
Quite obviously, it would have been cooler to refer the second generation as GOP, but that designation may not have as easily contributed to your understanding of the 2 nd generation.

Definition of Terms	
Genuine Humility	Genuine humility denotes the positive response to authority by the one under authority. Whereas in Enforced Humility we looked at humility from the standpoint of the one in authority, we now look at humility from the standpoint of the one under authority. If a person is properly oriented to authority, and has cultivated the habit of humility, his expression of humility will be genuine-not forced.
Gloss	A word or phrase added in by way of explanation by a later author (or copyist). I include in this those people who might relay this narrative verbally.
Gloss	A gloss is simply taking the name of a place in one era and identifying it with the same place under a new name in a later era, so that the reader knows where the area is.
Grace	Grace is all that God has done to bring fallen and sinful man into a just, perfect, and eternal relationship with Himself, without compromising His divine attributes and totally apart from human merit and works.
Grace Orientation	<i>Grace</i> is all that God is free to do for mankind on the basis of the work of Jesus Christ on the Cross. <i>Grace</i> is undeserved mercy and unmerited favor from God to us. <i>Grace</i> is the title of God's plan and His policy for mankind. <i>Orientation</i> is defined as familiarization with a particular person, thing or field of knowledge. <i>To orient</i> means to set right by adjusting to facts or principles; to put oneself into correct position or relation or to acquaint oneself with the existing situation. <i>Grace orientation</i> , therefore, means to become familiar with God's grace plan and grace policies by adjusting to the facts and principles found in the Word of God, which puts you in correct relation to God and others. You will never be <i>grace-oriented</i> until you understand that your personal sins don't condemn you. Adam's original sin, which was imputed to you at birth, is what condemns you (spiritual death). This means that God's grace was operational when He imputed Adam's original sin to you, because condemnation must precede salvation. This is just another part of God's ingenious grace plan of salvation. ⁹
Human good	That which is done when out of fellowship, but is not sin. These acts are often in accordance with Satan's strategy and plan, thought by some to be good. Giving your time or money to a global warming organization would be an example of human good. All human good will be burned at the Judgment Seat of Christ (1Cor. 3:11-15).
Human Good	Human good is what does not move the plan of God forward. This is anything done in the power of the flesh. This means that (1) a person is not in fellowship or (2) they are not thinking Bible doctrine. It is possible for the exact same act to be divine good on one day and human good on the next (such as, tossing a \$20 bill into the offering basket when it comes around).
Human Good	This is what is produced by the area of strength in the sin nature. Human good might be deficit neutral (e.g., giving money to your church when out of fellowship) or create a deficit in the life of an unbeliever (e.g., an unbeliever who spends his life fighting for social and economic justice).
Human Good	Acts which society may see as being good, but things which have no eternal value. For instance, a person may want to give one of Al Gore's carbon credit companies money to pay for "carbon usage," and then Al sends out one of his minions to go plant a tree. There are people who would praise this as a great act of self sacrifice, but it means nothing to God.
Human Viewpoint	Man's thinking apart from Bible doctrine.

Definition of Terms	
Hypostatic Union	<p>In the person of Jesus Christ since His physical birth [incarnation], there are two natures, undiminished deity and true humanity in one person forever. These two natures—human and divine—remain distinct and are inseparably united without mixture or loss of identity, without loss or transfer of attributes. This means that the Lord Jesus Christ is just as much God as God the Father and God the Holy Spirit and at the same time He is also just as much human as you and I. He is undiminished deity and true humanity in one person forever. This union is known as the hypostatic union.</p> <p>The two natures of Christ maintain their complete identity while being joined in personal union forever. The characteristics of His human nature belong to the human part of Him; the characteristics of His divine nature belong to the God part of Him. Each nature has its own attributes that adhere to that nature. In other words, there is no mixture of the two natures. He is never half-God and half-man or half-man and half-God..</p>
Iconoclastic Arrogance	Iconoclastic arrogance is idolizing a person, which person is then mentally destroyed by the admirer's own disillusionment because a flaw in that person is discovered.
Iconoclastic arrogance	This is also known as the <i>feet of clay syndrome</i> . One person builds up this great, unrealistic image of a second person, often out of arrogance. This often happens in love, where one person or the other is unable to really see or understand the sin nature of the one they love. Suddenly, the person who built up this image sees the feet of clay in the other person, and they are angry and they, in arrogance, smash this image.
Impersonal Love	Loving others on the basis of your own character and not on the basis of their failings and shortcomings. This is called agape love in the Bible.
Inspiration of the Bible	<i>God the Holy Spirit so supernaturally directed the human writers of Scripture, that without waving their human intelligence, individuality, literary style, personal feelings or any other human factor, His own complete and coherent message to man was recorded in perfect accuracy in the original languages of Scripture, the very words bearing the authority of divine authorship.</i> The literary style of the human author would include a variety of literary devices and figures of speech. Furthermore, there is nothing in the definition of inspiration which precludes the human authors or even God the Holy Spirit from making use of literary devices.
Installment discipline	The sins committed require extensive discipline. Instead of delivering the discipline all at once, God delivers the discipline in several parts (installments).
Installment retribution; installment discipline	Our sins and often our addictions can be so great, that God cannot simply discipline us and we start from zero again. God has to, on several occasions subsequent to confessing our sins to God, make us face the results of our sins, to the point where we choose God over our addiction. This is how David was cured from his sexual addiction.
Installment Discipline	Because of the quality of David's soul, God will only be able to turn him around by putting David under great pressure 4 times, each of which relates back to his sins of 2Sam. 11. This will be covered in greater detail under David's Soul and the Harsh Discipline of God (this represents an update from R. B. Thieme, Jr.'s 1980's era Doctrine of Installment Discipline ¹⁰).

¹⁰ See <http://answers.yahoo.com/question/index?qid=20071109082057AAaY71> for the doctrines of Divine discipline and Installment Discipline, which came from R. B. Thieme, Jr.'s Bible classes.

Intensive Discipline	When you have sinned, and God begins to discipline you, you go through 3 stages: (1) warning discipline (God lets you know that you have sinned and you need to get back into fellowship); (2) intensive discipline (God increases or intensifies the discipline to a point where, it really, really hurts); (3) the <i>sin unto death</i> (God begins the process of removing you from this world because you refuse to <i>rebound</i>).
Intercalation	The 1 st and 2 nd advents of Jesus Christ was taught as one whole event. However, intercalated between these two events is the Church Age.
Interlocking Systems of Arrogance	The interlocking systems of arrogance refers to many clusters of sins which have a tendency to interlock with one another. That is, a believer who goes into interlocking systems of arrogance through one gate (or entrance), is likely to interlock with another cluster of sins if he remains out of fellowship. We have simple examples of this in life. A person might begin to smoke marijuana, which is illegal. Some time later, he may take other drugs (this is why marijuana is often called a gateway drug). He may also become involved in anti-authority actions, extreme liberal philosophy and politics, and break more and greater laws. He may involve himself with a woman with the same weaknesses, and they become involved in sexual arrogance together (his norms and standards being wiped out by his changing mores). He enters in the gate of smoking marijuana which makes him vulnerable to a number of other clusters of sins.
Interlocking Systems of Arrogance	The interlocking systems of arrogance refers to many clusters of sins which have a tendency to interlock with one another. That is, a believer who goes into interlocking systems of arrogance through one gate (or entrance), is likely to interlock with another cluster of sins if he remains out of fellowship.
Interlocking Systems of Arrogance	Also known as the arrogance complex. The interlocking systems of arrogance refers to many clusters of sins which have a tendency to interlock with one another. Entering into this complex is more than carnality and it is different from reversionism. This doctrine is covered in much greater detail in 2Sam. 11 (HTML) (PDF).
JEPD Theory (also known as Documentary Hypothesis)	Documentary Hypothesis simply asserts that the Pentateuch was not authored by Moses but written 1000 years after Moses by several authors who wrote portions here and there and then other men have performed extensive revisions and editing after them.
JEPD Theory	The JEPD theory is also called Documentary Hypothesis and Form Criticism. This is the theory that there were originally two manuscripts which were interwoven to make the Law of Moses. The writer of one manuscript favored the name <i>Jehovah</i> and the other favored the name <i>Elohim</i> . A priest later took these two manuscripts and wove them together, throwing in a lot of pro-priest stuff. Another writer came along later and wrote Deuteronomy. The basis of this theory is, historians did not believe that writing existed during the time of Moses. So, if writing did not exist, then Moses could not have written the Law. If Moses did not write it, then someone else wrote it. After that, they went bonkers with this theory. Even though archeologists have discovered writing which predates Moses, this theory persists in hundreds of seminaries throughout the world. The Satanic purpose of this theory is to question whether Moses wrote the Torah (Moses' authorship is attested to in both the Old and New Testaments; and by Jesus). If Moses did not write the Torah, then the Bible is filled with inaccuracies, meaning it cannot be the Word of God. Josh McDowell deals with this theory in great detail in his book, <i>More Evidence Which Demands a Verdict</i> revised and reprinted in <i>The New Evidence that Demands a Verdict</i> . ¹¹

Definition of Terms	
The Jewish Age	The period of time which includes the patriarchs (Abraham, Isaac and Jacob); the nation Israel; and the Tribulation (which takes place at the end of the Church Age).
Judgment Seat of Christ	At the end of the Tribulation, believers will be gathered together and God will test their production with fire. Their human good and evil will be burned; the divine good which they create will remain.
Justification	Justification represents that aspect of salvation whereby God qualifies man to have eternal life based on the imputation of God's absolute righteousness based upon faith in Jesus Christ.
Kenosis	Jesus voluntarily restricted the use of His Deity when it was not a part of God the Father's plan.
Kenosis	During the dispensation of the hypostatic union, the doctrine of kenosis tells us that our Lord Jesus Christ voluntarily restricted the independent use of His divine attributes in compliance with the Father's plan for the Incarnation and the First Advent. This means that Jesus Christ did not use the attributes of His divine nature to benefit Himself, to provide for Himself, to glorify Himself, or to act independently of the plan of God for the Church-age by any compromise of the spiritual life.
Laws of Divine Establishment	Since the world appears to be made up of mostly unbelievers, God must have some kind of plan for the unbelievers while they are alive. These are called the laws of divine establishment, and they are applicable to both believers and unbelievers. These are the laws which protect the freedom of a nation, and allow for evangelism and for the teaching of the Word of God.
Laws of Divine Establishment	These are laws which are devised by God for the human race (for believers and unbelievers alike). The more aligned a country is with these laws, the greater freedom and prosperity that country will enjoy. Furthermore, there will be greater evangelism and Bible teaching which takes place. The further a country strays from these law results in greater tyranny and unhappiness among its population.
Laws of Divine Establishment	These are the laws, principles and morality which God has designed to perpetuate every society or government in such a way that freedom to evangelize, freedom to teach doctrine and the freedom to send out missionaries are maximized.
Laws of Divine Establishment	These are the laws by which all men ought to be governed. Much of the Mosaic Law is divine establishment law.
Laws of Divine Establishment	These are natural laws which apply to people and nations, which cause a nation to be preserved and a people to be perpetuated. These laws are designed for believers and unbelievers alike.
Laws of Divine Establishment	The laws of divine establishment are a system of laws and principles which provide for the preservation as well as for the prosperity of the human race. These laws apply to both believer and unbeliever alike.
Linear Genealogy	A linear genealogy follows one particular line for 5 or more generations. Very rarely is more than one son named in any generation.

Definition of Terms	
Logistical Grace	<p>Logistical grace is defined as what God has planned for us, the Divine support he gives us, His Divine provision, and his Divine blessing. The result is, we as believers in Jesus Christ are able to execute the plan of God just as logistical support on the battlefield allows an army to defeat the enemy. God does not give us logistical grace because we are nice people or really good Christians; God gives us logistical support because we are believers and He gives this to us for a purpose.</p> <p>Logistical grace is Life support is provided for every Church Age believer. This explains how and why we are alive at any given moment. The only reason we are alive is because of logistical grace. We do not earn it nor do we deserve it. There is no set of spiritual works which we can accomplish to keep ourselves alive. For all intents and purposes, this is food, shelter and clothing. The principle was explained by Jesus in Matt. 6:25-33.¹²</p>
Logistical Grace	Logistical grace is the divine planning, divine support, divine provision and divine blessing which are designed by God to keep the believer alive so that we can properly execute or fulfill God's plan.
Logistics, military	Logistics is the science of the movement, supplying, and maintenance of military forces in the field.
Momentum testing	Momentum testing represents a variety of different tests (people testing, system testing, disaster testing, thought testing) which result, ideally, in accelerated spiritual growth.
Masoretic text	The Hebrew text of the Old Testament, passed down for many hundreds of years.
Negative Volition Arrogance	Negative volition is resistance to Bible doctrine on the one hand, or indifference to Bible doctrine on the other hand, based on arrogant preoccupation with self. Arrogance preoccupation with self has many aspects, such as a personality conflict with the teacher of doctrine, or self-pity in interaction with people in the congregation. In this state, you are not antagonistic to doctrine, but simply distracted from it by your own status quo of arrogance. For the believer, this is the most damaging arrogance of them all.
Occupation with Christ	Occupation with Christ is a mental attitude by which a Christian believer views all things in life with the Lord Jesus Christ in mind. Occupation with Christ is love for the Son, the 2 nd Person of the Trinity, therefore it is the expression of love for God. The Bible commands us to love God, with all our heart, soul and mind. Being occupied with Christ is a great part of our love for God. Therefore, this concept is one of the most important spiritual functions in the Christian life.
Organizational Humility	Organizational humility focuses on the social structure inside which humility is fostered and developed. All human societies have social structures. No matter how different the cultures are, they are all divided into social structures that exist on different levels.
Personal Love	This is loving a person (or an object) because of their attractiveness to you. Obviously, God is always deserving of our personal love, and people gain our personal love from time to time.

Definition of Terms	
Personal Sense of Destiny	A person so in tune with the will of God (by means of knowledge of doctrine), that they understand their reason for being alive and they execute the plan of God almost as if God were whispering into their ear what to do (God does not whisper into anyone's ears today).
Personal Sense of Destiny	Every believer, as a member of the body of Christ and the Royal family of God, has a destiny. This starts at the moment of belief, at the moment of salvation.
Phase II	Phase I is salvation; phase II is the believer's life in time, and phase III is eternity (all believers spend eternity with God).
Pivot	Those people in a national entity who are growing spiritually or who have entered into spiritual maturity.
Pivot	A pivot it is the accumulation of mature believers living in a client nation or under civil government in a specific geographical location. While a pivot is composed primarily of mature believers, it may also include those positive believers whose momentum has carried them into spiritual adulthood.
Pivot	In nearly any nation, there will be believers and there will be mature believers (which is called a <i>pivot</i>). If these groups are large enough, a nation will be preserved and, in most cases, greatly prospered. If the pivot is small, or if there are very few mature believers in this pivot, then that nation will go down. The concept of a pivot of believers preserving a nation is found in Gen. 18:22–33 Matt. 5:13.
Pivot	Believers with doctrine influence a society. A good example of this is the Roman Empire, which began as being very opposed to Christianity, but which became strongly influenced by Christianity. As the Christian Tertullian observed: "We are but of yesterday, yet we fill your cities, islands, forts, towns, councils, even camps, tribes, decuries, the palace, the senate, the forum; we have left you the temples alone." This was accomplished without an armed insurrection against Rome. The norms and standards of believers in Jesus Christ began to filter into the society. Abraham and his people represented a positive influence on the surrounding areas; Lot and his family had almost no influence whatsoever.
Positional Truth	Things which are true of us positionally at the point of salvation. Such as, we are in Christ; because of this, we share His eternal life, His destiny, His righteousness. We may not act very righteous, but his righteousness is imputed to us as a part of positional truth.
Priest nation	A nation which represents God to the world.
Priest Nation	A nation which represents God on earth. The United States is such a nation today, although there are attempts at all levels to stop this.
Priest nation	A priest nation is a nation through whom God works. The Word of God will be preserved in a priest nation (and even written in a priest nation); and evangelization will occur both within that priest nation, and men will be sent out to evangelize (like Jonah).

Definition of Terms	
Progressive Revelation	Progressive revelation simply means that God reveals Himself progressively. As we read about God and His decree in the Bible, it is not revealed to us all at once. Although we find suggestions of the Trinity in Gen. 1, it is not until the New Testament that the concept of the Trinity is revealed well enough to more fully comprehend it. God's grace and judgment, and what He would do about sin, is first mentioned in Gen. 3; further elaborated on when God asked Abraham to sacrifice his firstborn (by Sarah); and fulfilled by the incarnation of Jesus Christ.
Progressive Revelation	Progressive revelation means that, each additional truth builds upon, expands, and better explains that which was already taught. New revelation does not supercede, replace or nullify previous revelation, but builds upon that which is past and that which is foundational.
Propitiation	<i>Propitiation means satisfaction or appeasement, specifically towards God. Propitiation is the work of Jesus Christ on the cross by which He appeases the wrath of God who would otherwise be offended by our sin and demand that we pay the penalty for it. The concept of propitiation is often associated with the idea of a substitutionary atonement.</i> ¹³
Psychopathic arrogance	Psychopathic arrogance is total divorcement from all reality. It is a result of bad decisions, not genetics. It is intense concentration on self. Emotions take precedence over reason.
Rationale The plan of God rationale, the rebound rationale	<p>This is where you gather a few doctrines which give you confidence in God, God's plan, and what is going on around you. Because these rationales are in your soul, you are able to withstand certain pressures. For instance, the plan of God rationale means, all that is in your life is a part of the plan of God. Now, obviously, when you sin, you take yourself out of God's will, and that is a separate consideration; but when you are filled with the Spirit and advancing spiritually each day through the intake of Bible doctrine, then you are able to evaluate difficulties in your life as being a part of the plan of God. Since these things are a part of the plan of God, then God has given you the wherewithal to endure these difficulties.</p> <p>The rebound rationale means that, no matter what sin you have committed, you name that sin to God, and you are completely and totally forgiven in time for committing that sin. Therefore, you re-enter the plan of God. Because of the rebound rationale, you do not go back to past sins from 5 or 10 years ago and lament these great sins.</p>
Rebound (Restoration to fellowship with God)	In the New Testament, this is naming your sins to God, so that you are both restored to temporal fellowship with God and are then filled with the Spirit of God. In the Old Testament, naming your sins to God would result in a restoration of fellowship and, in some cases, the empowerment of the Holy Spirit once again (the Holy Spirit was not given to all Old Testament believers).
Rebound	You get out of fellowship by sinning. You get back into fellowship by naming your known sins to God. God then forgives you for the sins which you named and any other sins which you also committed (1John 1:9). This process is known as rebound.
Rebound	The act of naming one's sins to God. You get out of fellowship by sinning; you get back into fellowship by naming those sins (privately) to God.
Rebound technique	Temporal restoration to fellowship with God by naming your sins to Him.

Definition of Terms	
Redemption	Redemption is the saving work of Christ whereby He purchased our freedom from the slave market of sin by means of His death on the cross.
Redemption	Redemption is the purchase of something. In the Bible, this generally refers to Jesus purchasing us with His blood (i.e., by means of His spiritual death on the cross).
Redemption	Jesus Christ, by His blood on the cross, has purchased us.
Restorative Discipline	When a believer gives into the lusts of his soul continually, this can change that believer's soul. Often the result is addictive behavior where a pleasurable addiction takes over the soul. God's harsh discipline first guides such a believer to restoration to fellowship and then it continues as blessing to cure that addiction.
The Revealed God (or, the Revealed Lord)	We all come to a time of God-consciousness where we understand the concept and possibility of the existence of God. At that point, we face 2 great questions: (1) do we want to know this God and (2) are will willing to believe in God as He has revealed Himself or do we make a god in our own image and worship that?
Reversionism	Getting out of fellowship through sinning, and then remaining out of fellowship for a long time. Often, such a believer reverts to his behavior as an unbeliever. This is called reversionism. This is going further than simple <i>carnality</i> , which is being out of fellowship.
Reversionism	Spiritual decline brought about by rejection of Bible doctrine. This is a reverting to one's sin pattern before salvation. Sometimes, one develops a sin pattern after being saved.
Reversion	Either a believer who reverts back to his unbelieving ways; or an unbeliever who, when faced with establishment thinking, returns to ideas he may have rejected in the past (like a dog returning to his vomit).
Reversionism	A state of being or a set of actions where a person reverts back to a former state, habit, belief, or practice of sinning. Reversionism is the status of the believer who fails to execute the plan of God for the Church Age. He returns to his pre-salvation modus operandi and modus vivendi.
Reversionism, reversionistic	The believer <i>reverts</i> back to his sinful habits as an unbeliever with great regularity. This can also refer to a person who is an unbeliever who once embraced divine establishment and now rejects it.
Reversionist	A believer who has reverted back to his unbelieving ways.
Right man/right woman (RM/RW)	The concept that God has provided for almost all people out there the perfect partner (of the opposite gender, of course). This relationship is the basis for much of our enjoyment of life, for believers and unbelievers alike.
Sanctification	Sanctification is a technical theological term for the status quo of the royal family of God in three phases of the plan of God. The term means to be set apart to God for a special purpose. We, the royal family of God, are set apart to God in three ways (at salvation, in our lives, and in the eternal state).
Scar tissue	Scar tissue is what develops on the soul as a result of negative volition toward God and/or Bible Doctrine. The heart becomes hardened toward God.

Definition of Terms	
Scar Tissue on the Soul	Scar tissue of the soul is also called hardness of the heart, the uncircumcised heart, and stubbornness of heart. It is a divine judgment of the soul that restricts capacity for life and love. Unlike divine discipline that produces temporary suffering with no lasting side effects, scar tissue of the soul leaves a debilitating loss of capacity for life or love. However, since it is part of the soul's immaterial essence like emotion, it has no known physical properties. However, it does restrict the capacity of the soul. It blocks Spiritual light, which leads to affinity to the Cosmic System as well as soulish and physical ailments. Psychosis and psychopathic personality are examples of scar tissue of the soul. Although behavior can be altered by psychotherapy and psychiatric drugs, the only cure for such problems is the divine solution, which requires Rebound and application of Bible Doctrine. ¹⁴
Septuagint	A Greek translation made of the Old Testament somewhere between 300–100 B.C.
Sexual Arrogance	Sexual arrogance is preoccupation with sex and self-gratification. It is preoccupation with the body to the exclusion of the soul.
Sexual arrogance; sexual addiction	This is the point where sexual desire overrides all else in a person's psyche. It overrides reason, compassion, protocol. Just as the drug addict might be willing to do nearly anything for a fix; so the sexually addicted will be willing to do and even risk anything in order to fulfill their lusts. For the sexual addict, the object of his sexual lust is simply an object; his sexual lust does not indicate any sort of love is involved; not even <i>like</i> .
Shock troops	Shock troops are a group of soldiers trained specially for carrying out a sudden assault.
Sin Nature Weakness Arrogance	Every believer has a weakness (or, weaknesses) in his (or her) sin nature. When this is placed above Bible doctrine, that is arrogance.
Sin unto death	When a believer stays out of fellowship for an extended period of time and consistently acts against the plan of God, God may remove him from this life painfully using discipline that will result in his death.
Sin unto Death	When a believer continues to sin without rebound and without responding to warning discipline, God will often remove that believer from this life with the sin unto death. This is not a particular sin, but usually a series of sins, which may includes acts of human good and evil.
Sin unto Death	This is not a particular sin, but the point at which harsh discipline is no longer working on the believer, so God takes the believer out of this world in a very painful way. For more information, see http://gracebiblechurchwichita.org/?page_id=539

Definition of Terms

Slave Market of Sin	<p>We illustrate the doctrine of redemption, is by picturing yourself being sold as a slave in a slave market. You are unable to purchase yourself, as you do not have the wherewithal to purchase yourself. A slave does not have the money to purchase himself (he lacks the coin of the realm, so to speak). Only someone who is not inside of this slave market (a non-slave) can purchase you. No fellow slave can look you over and say, "I'd like to purchase this one." This is because he is in the same boat that you are in. He cannot purchase himself and he certainly cannot purchase you. Jesus Christ does not have a sin nature and He has not committed any personal sins, so that He can purchase us from the slave market of sin.</p> <p>This concept is actually based upon the real historical example, where God purchased the Israelites from Egypt, and brought them out of bondage.</p>
Soteriology	The proper theological term for the study of salvation.
Spiritual Atlas	Often, during a time of national crisis, God promotes one man who, for all intents and purposes, carries his nation on his shoulders. God protects and even prospers a nation based upon the spiritual Atlas of that day. We have historical examples of Israel under Moses, Joshua and David (among many others) and Rome under Paul. In the Church Age, there can be many people who function as spiritual Atlases in any given period of time.
Spiritual Life	The life that God expects for us to lead. An unbeliever cannot lead a spiritual life.
Stages of National Discipline (Cycles of Discipline)	A national entity which is a client nation to God is under both God's protection and His discipline (much like the individual believer). As a nation moves further and further from God, God may impose disciplinary measures on that nation, which include economic disaster, illness, civil unrest, military defeat, and even invasion which may include a slavery or dispersion of the people. These cycles are found in Lev. 26. Although these warnings are designed for Israel, all client nations to God may face similar downward historical trends.
Stages of National Discipline	God set up a series of stages that He would go through to discipline the nation Israel, which stages are laid out in Lev. 26. See the Doctrine of the Cycles of Discipline .
The 4th Stage of National Discipline	This is when a nation is controlled and/or taxed by an outside entity.
The 5th Stage of National Discipline	The fifth cycle of discipline involves complete loss of personal and national sovereignty, the destruction of the family and the nation. Offerings to God are unacceptable. Nations which have undergone this destruction have experienced slavery, cannibalism, and the assimilation of its surviving citizens into other cultures.
Supergrace; the Supergrace life	This is a term and doctrine, developed by R. B. Thieme, Jr., which indicates a stage of spiritual maturity that some believers attain. Essentially, this is our first stage of spiritual growth and it is based upon the words <i>greater grace</i> as found in James 4:6.
Supergrace believer	This is a term originated by R. B. Thieme, Jr. to indicate that a person is in spiritual maturity.
Supergrace status	A synonym for spiritual maturity. The idea is, God pours out grace and more grace upon the believer.

Definition of Terms	
Suzerain-vassal treaty	The is a treaty or contract made between the sovereign ruler of a nation and the people in another location. Often, this contract would demand taxes or some form of remuneration, which brought them both protection from the sovereign and from other foreign powers. It would be the sovereign who proposed the details of the contract.
Textual criticism	The science of determining the best reading for any given passage.
Theophany	A Theophany is an appearance by God, the Revealed Lord, before the incarnation of Jesus.
Type	<i>A type is a preordained representation wherein certain persons, events, and institutions of the O.T. stand for corresponding persons, events, and institutions of the N.T. Types are pictures or object lessons by which God has taught His redemptive plan. They are a shadow of things to come, not the image of those things (Col. 2:17 Heb. 8:5 10:1). The Mosaic system, for example, was a kind of kindergarten in which God's people were trained in divine things and taught to look forward to the realities of things yet to come.</i> ¹⁵
Type	Persons and events often foreshadow future persons and events. The real person or event in the past is called a type; and that which follows it as an historical parallel is it antitype.
Type	A type is a person, a thing or an act which looks forward to Jesus or to Jesus on the cross. For instance, Isaac's birth was the <i>type</i> ; our Lord's birth was the <i>antitype</i> , which was the fulfillment of the type.
Type, Antitype, Typical	<i>A type is a preordained representation wherein certain persons, events, and institutions of the O.T. stand for corresponding persons, events, and institutions of the N.T. Types are pictures or object lessons by which God has taught His redemptive plan. They are a shadow of things to come, not the image of those things (Col. 2:17 Heb. 8:5 10:1).</i> ¹⁶ See the Doctrine of Typology (HTML) (PDF) (WPD).
Type and antitype	Most of the time, a <i>type</i> is an incident, a person, or a symbol of some sort in the Old Testament which generally represents Jesus Christ (the antitype) in the New.
Ultra-supergrace	The believer who has reached the first stage of spiritual maturity (supergrace) and has moved forward from there.
Ultra Supergrace	That place in the angelic conflict where God places mature believers under maximum testing and pressure. This would include Job, Paul and Moses. 2Tim. 2:10 3:11-12. Robert McLaughlin does not speak of the continual pressure aspect of this final stage of spiritual development. "Ultra-supergrace is the most advanced stage of spiritual maturity related to time, history, and the angelic conflict. Once the believer breaks the maturity barrier through the daily perception, metabolization, and application of bible doctrine, he moves into different spheres of spiritual maturity."
Many of these terms were coined by R. B. Thieme Jr. during his 50+ year ministry at Berachah Church.
